Informații suplimentare

Calatorii de afaceri	disponibil pentru detașări de serviciu
Cetațenie	Moldova
Despre mine	I've no software testing experience (except course), but I want to gain more knowledge and get a real experience in this field. That is why I am ready to work a lot, learn and grow everyday.

Previously I have created interior design projects like freelance. This experience taught me to managing my time, be more organized, focus on a main task and keep to the deadlines.

Hobby:

- travelling
- interior design
- languages
- books
